Dear Commissioners:

**APPROVE ELEVATOR MAINTENANCE SERVICES CONTRACT FOR
14 SENIOR HOUSING DEVELOPMENTS (ALL DISTRICTS)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Executive Director of the Housing Authority to execute a one-year contract for Elevator Maintenance Services (Contract), and all related documents, with Excelsior Elevator Corporation, to provide elevator maintenance services for 36 elevators located at the 14 senior housing developments identified in Attachment B, and to use for this purpose a total of \$52,373.16, comprised of \$43,748.60 in Conventional Public Housing Program funds allocated by the U.S. Department of Housing and Urban Development (HUD) and \$8,624.56 in Project-Based Section 8 Program funds allocated by HUD.
2. Authorize the Executive Director to execute amendments to the one-year Contract, following approval as to form by County Counsel, to extend the term of the Contract for a maximum of two years, in one-year increments, at \$53,421.00 for the second year and \$54,488.64 for the third year, using funds to be approved through the annual budget process.

3. Authorize the Executive Director to execute all necessary administrative amendments to the Contract as well as any amendments to increase the compensation amount, in an amount not to exceed 25 percent per year, following approval as to form by County Counsel, to provide for any unforeseen needed elevator maintenance services, using the same sources of funds described above.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to approve the attached Contract for elevator maintenance services for 36 elevators located at 14 senior public housing developments throughout Los Angeles County.

FISCAL IMPACT/FINANCING:

There is no impact on the County general fund. The maximum amount for all three years of the Contract, if fully extended, will be \$160,282.80, not including any contingency monies.

For the first year of services under the Contract, the Housing Authority will use a maximum of \$52,373.16, comprised of \$43,748.60 in Conventional Public Housing Program funds from HUD, and \$8,624.56 in Project-Based Section 8 Program funds from HUD, included in the Housing Authority's approved Fiscal Year 2005-2006 budget for this purpose.

After the first year, the Housing Authority may extend the Contract for an additional two years, in one-year increments, at \$53,421.00 for the second year and \$54,488.64 for the third year, contingent upon the availability of funds. Funds for years two and three of the Contract, if extended, will be included in the Housing Authority's approved budget through the annual budget process.

A 25 percent contingency, in the amount of \$13,093.29 for the first year, \$13,355.25 for the second year, and \$13,622.16 for the third year, is also being set aside to provide for any unforeseen necessary elevator maintenance services, using the same yearly source of funds described above. Such services may include the removal of storm water from elevator pits, after-hours authorized work, or emergency calls to release persons trapped in an elevator car.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The Housing Authority operates 14 housing developments with elevators that serve approximately 1,560 senior and disabled residents. The Housing Authority's current

elevator maintenance contract will expire on December 16, 2005. The Housing Authority, therefore, wishes to enter into the attached Contract with Excelsior Elevator Corporation for continued elevator maintenance services.

Services will include monthly inspections of the machinery, pump unit, motor, controller, valves, dispatching equipment, governor, car, hoistway, switches, and lighting, and emergency recall testing. Requests for service, beyond regular maintenance service, will be billed at a fixed rate of \$165 per hour for the first year, and \$170 and \$175 per hour for the second and third years, respectively.

Additionally, the State of California requires a Static Load Test every five years, with the costs to provide these tests at \$865 per hydraulic elevator and \$1,375 per traction elevator during the first year. Costs for these tests would increase at the rate of two percent per year. All costs for needed tests and repairs are not included in the Contract amounts and will be paid from regular operating funds in the approved Housing Authority budget.

The proposed services are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) or the General Relief Opportunity for Work (GROW) Programs implemented by the County of Los Angeles. Instead, Excelsior Elevator Corporation must comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by Excelsior Elevator Corporation. On November 16, 2005, the Housing Commission recommended approval of the Contract.

ENVIRONMENTAL DOCUMENTATION:

Pursuant to 24 Code of Federal Regulations, Part 58, Section 58.35 (b)(3), this project is excluded from the National Environmental Policy Act, because it involves activities that will not alter existing environmental conditions. The action is not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15060 (c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS:

On September 12, 2005, an Invitation for Bids (IFB) process was initiated to identify qualified licensed contractors to provide elevator maintenance services for the Housing Authority. Notices were mailed to 30 firms identified from the Housing Authority's vendor list. Announcements appeared in nine local newspapers and on the County's

WebVen website. A copy of the IFB was also posted on the Housing Authority's website. As a result of the outreach, seven bid packets were requested and distributed.

On September 29, 2005, six contractors participated in a Pre-Bid Conference. On October 13, 2005, the Housing Authority received one bid from Excelsior Elevator Corporation. Excelsior Elevator Corporation is the current contractor providing elevator maintenance services to the Housing Authority. During the past three-year term, Excelsior Elevator Corporation has provided good and reliable service to the housing developments. Therefore, the Housing Authority is recommending Excelsior Elevator Corporation for award of the Contract.

The Summary of Outreach Activities is provided in Attachment A.

IMPACT ON CURRENT PROGRAMS:

The Contract will help to ensure that all elevators provide safe and reliable service at the senior housing developments.

Respectfully submitted,

CARLOS JACKSON
Executive Director

This Contract may be terminated by the Housing Authority upon written notice to the Contractor for just cause (failure to perform satisfactorily) with no penalties incurred by the Housing Authority upon termination or upon the occurrence of any of the following events in A, B, C or D:

THE HOUSING AUTHORITY'S CHILD SUPPORT COMPLIANCE PROGRAM", shall constitute default under this Contract. Without limiting the rights and remedies available to the Housing Authority under any other provision of this Contract, failure of the Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the Housing Authority may terminate this Contract pursuant to Paragraph 14, "TERMINATION FOR CAUSE", and pursue debarment of the Contractor, pursuant to Housing Authority Policy.

17. POST MOST WANTED DELINQUENT PARENTS LIST

The Contractor acknowledges that the Housing Authority places a high priority on the enforcement of child support laws and the apprehension of child support evaders. The Contractor shall comply with Executive Order 11246 and 11375, Equal Opportunity in Employment, which requires that during the performance of this Contract, the Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated fairly during employment, without regard to their race, color, religion, sex or national origin. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of the non-discrimination clause.

The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.

The Contractor will send to each labor union or representative of workers with which it has a collective bargaining Contract or other contract or understanding, a notice to be provided by the agency of the Contractor's commitments under

Section 202 of Executive Order No. 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations and orders.

In the event of the Contractor's noncompliance with the non-discrimination clauses of this Contract or with any of such rules, regulations or orders, this Contract may be canceled, terminated or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in the Executive Orders and such other sanctions may be imposed and remedies invoked as provided in the Executive Order or by rule, regulation or order of the U. S. Secretary of Labor, or as otherwise provided by law.

The Contractor will include the provisions of these paragraphs in every subcontract or purchase order unless exempted by rules, regulations, or orders of the U. S. Secretary of Labor issued pursuant to Section 204 of the Executive Order No. 11246 of September 24, 1965, that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such actions with respect to any subcontract or purchase order as the Housing Authority may direct as a means of enforcing such provisions including sanctions for noncompliance, provided however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by the Housing Authority, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

27. SECTION 3 OF THE HOUSING AND URBAN DEVELOPMENT ACT OF 1968, AS AMENDED

A. The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

- B. The parties to this Contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining Contract or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The Contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 135.
- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD-assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this Contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and

Indian-owned Economic Enterprises. Parties to this Contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

28. FEDERAL LOBBYIST REQUIREMENTS

The Contractor is prohibited by the Department of Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 CFR Part 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, loan or cooperative Contract, and any extension, continuation, renewal, amendment or modification of said documents.

The Contractor must certify in writing on the Federal Lobbyist Requirements Certification form that it is familiar with the Federal Lobbyist Requirements and that all persons and/or subcontractors acting on behalf of the Contractor will comply with the Lobbyist Requirements.

Failure on the part of the Contractor or persons/subcontractors acting on behalf of the Contractor to fully comply with the Federal Lobbyist Requirements may be subject to civil penalties.

29. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT

The Contractor shall notify its employees, and shall require each subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

30. USE OF RECYCLED-CONTENT PAPER PRODUCTS

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on the Project.

31. CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. A responsible contractor is a contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the contract. It is the policy of the Housing Authority to conduct business only with responsible contractors.

- B. The Contractor is hereby notified that if the Housing Authority acquires information concerning the performance of the Contractor on this or other contracts which indicates that the Contractor is not responsible, the Housing Authority may, in addition to other remedies provided in the Contract, debar the Contractor from bidding on Housing Authority contracts for a specified period of time not to exceed three (3) years, and terminate any or all existing contracts the Contractor may have with the Housing Authority.
- C. The Housing Authority may debar a contractor if the Board of Commissioners finds, in its discretion, that the contractor has done any of the following: (1) violated any term of a contract with the County, the Commission, or the Housing Authority, (2) committed any act or omission which negatively reflects on the contractor's quality, fitness or capacity to perform a contract with the County, the Commission, or the Housing Authority or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County, the Commission, or the Housing Authority or any other public entity.
- D. If there is evidence that the Contractor may be subject to debarment, the Housing Authority will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
- E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Housing Authority shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Commissioners.
- F. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.

- G. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The Housing Authority may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the Housing Authority.
- H. The Contractor Hearing Board will consider a request for review of the debarment determination only where (1) the Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
- I. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
- J. These terms shall also apply to subcontractors of Housing Authority contractors.

32. COMPLIANCE WITH JURY SERVICE PROGRAM

- A. Unless the Contractor has demonstrated to the Housing Authority satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program or that the Contractor qualifies for an exception to the Jury Service Program, the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular

pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

- B. For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has a contract with the Housing Authority or a subcontract with a Housing Authority contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Housing Authority contracts or subcontracts. "Employee" means any California resident who is a full time employee of the Contractor. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Housing Authority, or 2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any subcontractor to perform services for the Housing Authority under the Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Contract and a copy of the Jury Service Program shall be attached to the subcontract Contract.
- C. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the Housing Authority if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The Housing Authority may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the Housing Authority's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
- D. The Contractor's violation of this Section of the Contract may constitute a material breach of the Contract. In the event of such material breach, the Housing Authority may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future Housing Authority contracts for a period of time consistent with the seriousness of the breach.

33. ACCESS AND RETENTION OF RECORDS

The Contractor shall provide access to the Housing Authority, the Federal Grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers and records of the Contractor which are directly pertinent to this Contract for the purpose of making audits, examinations, excerpts and transcriptions.

The Contractor is required to retain the aforementioned records for a period of five years after the Housing Authority pays final payment and other pending matters are closed under this Contract.

34. CONFLICT OF INTEREST

The Contractor represents, warrants and agrees that to the best of its knowledge, it does not presently have, nor will it acquire during the term of this Contract, any interest direct or indirect, by contract, employment or otherwise, or as a partner, joint venture or shareholder (other than as a shareholder holding a one percent (1%) or less interest in publicly traded companies) or affiliate with any business or business entity that has entered into any contract, subcontract or arrangement with the Housing Authority. Upon execution of this Contract and during its term, as appropriate, the Contractor shall disclose in writing to the Housing Authority any other contract or employment during the term of this Contract by any other persons, business or corporation in which employment will or may likely develop a conflict of interest between the Housing Authority's interest and the interests of the third parties.

35. SEVERABILITY

In the event that any provision herein is held to be invalid, void, or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Contract and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

36. INTERPRETATION

No provision of this Contract is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Contract is to be construed as if drafted by both parties hereto.

37. WAIVER

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision shall not be deemed to be a waiver of any breach of the same or any other provision hereof.

38. PATENT RIGHTS

The Housing Authority will hold all the patent rights with respect to any discovery or invention, which arises or is developed in the course of, or under this Contract.

39. COPYRIGHT

No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of the Contractor. All such documents become the property of the Housing Authority and the Housing Authority holds all the rights to said data.

40. NOTICES

The Housing Authority shall provide the Contractor with notice of any injury or damage arising from or connected with services rendered pursuant to this Contract to the extent that Housing Authority has actual knowledge of such injury or damage. The Housing Authority shall provide such notice within ten (10) days of receiving actual knowledge of such injury or damage.

Notices provided for in this Contract shall be in writing and shall be addressed to the person intended to receive the same, at the following address:

by giving written notice of such change of address to all other parties entitled to receive notice.

41. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment D, Required Contract Notices, and is available on the Internet at www.babysafela.org for printing purposes.

42. CONTRACTOR'S ACKNOWLEDGMENT OF HOUSING AUTHORITY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW

The Contractor acknowledges that the Housing Authority places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the Housing Authority's policy to encourage all Housing Authority Contractors to voluntarily post the Housing Authority's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The Department of Children and Family Services of the County of Los Angeles will supply the Contractor with the poster to be used.

43. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring contractors to complete the "Charitable Contributions Certification" form included in Attachment C – Required Contract Forms, the Housing Authority seeks to ensure that all Housing Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Housing Authority and its taxpayers. A contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.
